Entry-Level Doctor of Occupational Therapy (OTD) Program

Upon completion of Level II fieldwork, OTD students will be required to complete a clinical competency evaluation, before being eligible to begin their 16-week Doctoral placements in January. Therefore, besides AOTA suggested dates, we will be seeking early Summer Level II fieldwork start dates and early Fall Level II fieldwork placement dates to support the structure of our program. We look forward to collaborating with your site to arrange and reserve mutually agreeable dates.

REVISED 2016-2019 RECOMMENDED DATES:

Summer 2016 Level II fieldwork (12 weeks):
• May 31-August 19
• June 6-August 26
• June 27-September 16
